

## REACH Regulation and Directive 2011/65/EU (RoHS)

Dear Sir or Madam,

We hereby confirm that products supplied by ST Extruded Products Germany GmbH or Sankyo Tateyama Europe BV comply with the requirements of Regulation (EC) No 1907/2006 (REACH Regulation) and Directive 2011/65/EU (RoHS).

As a downstream user we do not register substances but follow the information obligation.

Our products do not contain any substances of very high concern (SVHC) in concentrations greater than 0.1% by mass apart from the following exclusions:

### Exclusion Clause:

Some of the alloys processed by us contain substances listed on the current version of ECHA's Candidate List in concentrations greater than 0.1% by weight.

- Lead

Alloys containing lead in higher concentration than 0,1 % by weight are:

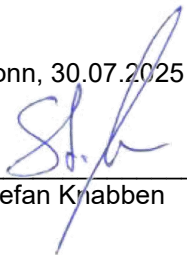

- EN AW-2007
- EN AW-2011
- EN AW-2028
- EN AW-2030
- EN AW-6106
- EN AW-6064A

Please ask for an individual statement for profiles and components

- with surface treatment other than anodizing, e.g. painting or powder coating,
- which consist of more than one material or contain composite materials (bondings, rivets,...)

Conformity must be checked on a case-by-case basis in accordance with the bill of materials and customer requirements.
